Elections Around The Corner

By Bill Young
RSA President

Hello all from RSA; I hope this message finds you and your family well. As this message finds you, it will be the start of another election season. One of the most significant ways we can make positive change, both as an Association and individually, is by supporting candidates who share our values.

BOARD OF EDUCATION ELECTIONS

If you have children enrolled in one of the local school districts, this is an important election because several Board of Education Trustees are up for election this November. The Trustee position is critical, as they establish the policies which determine how your child will be educated and how the district operates. My wife, Melinda Young, has decided to run for Val Verde Unified School District, Trustee Area Three, because she knows it is essential to replace those currently in positions who have consistently steered our education system in the wrong direction.

BOARD OF SUPERVISORS

The RSA is also involved in another significant race for our members and the residents of Riverside County. We support current City of Moreno Valley Mayor Yxstian Gutierrez for Supervisor in his race for the District

“ I am confident that soon we will be providing our Probation Members with positive news regarding our efforts with the County to help the recruitment and retention problem within Riverside County Probation. ”

Five Board of Supervisor seat. He has been a staunch supporter of public safety and has worked regularly with the RSA on issues. RSA is also involved in several other November races, and we will put out a voter guide in the near future.

PROBATION MEMBERS

On the labor front, I am confident that soon we will be providing our Probation Members with positive news regarding our efforts with the County to help the recruitment and retention problem within Riverside County Probation. While these steps will not resolve the problem, they are important steps that will help and strongly move us in the right direction.

This upcoming announcement does not end the RSA's work for our Probation Members. We will continue to fight in support of better working conditions and wages. I thank the Probation Members that joined me at the Board of Supervisors meeting to express their frustrations with the

current state of the Probation Department. Your voices were heard, and I could not be prouder of your dedication to making Riverside County Probation a better place to work.

SACRAMENTO

The Legislature is back in Sacramento for the frantic last month of the session. We are working with other law enforcement groups to prevent a number of pieces of legislation from passing. One of our top priority bills is AB 937, (Carrillo) Sanctuary State Protections for Violent Felons. Law enforcement labor and management worked together to prevent it from passing last year, but it is coming back as the author is hoping to have the votes to get it to the Governor's desk. This bill is bad on many fronts. Other key bills we are opposing that we will be working hard on in the next several weeks include:

- SB 300 (Cortese D) Crimes: murder: punishment

Continued

- SB 1000 (Becker D) Law enforcement agencies: radio communications
- AB 2644 (Holden D) Custodial interrogation
- SB 299 (Leyva D) Victim compensation: use of force by a law enforcement officer

SUPREME COURT - MIRANDA

A recent United States Supreme Court ruling brought on new questions regarding the reading of Miranda rights in civil cases. The court ruled that police officers will no longer be able to be sued in civil court for improper Miranda warnings. According to the decision, criminal suspects cannot sue police officers who fail to give *Miranda* warnings before custodial interrogations. (*Vega v. Tekoh*, No. 21-499, 2022 WL 2251304 (U.S. June 23, 2022.))

The Supreme Court reversed the Ninth Circuit's decision, maintaining the standard that a violation of *Miranda* is not necessarily a violation of the Fifth Amendment. The decision in *Vega* resulted from an interrogation involving the use of an un-"Mirandized" confession in a criminal case. When a jury found the defendant not guilty, that defendant sued the police officer for violating his constitutional rights. In a 6-3 decision, however, the court determined that *Miranda* rights are simply rules designed to prevent a violation of constitutional rights and a failure to read someone their *Miranda* rights isn't necessarily a violation of those rights.

LABOR RELATIONS

Lastly, I would like to thank retired Undersheriff Dennis Vrooman for all his help repairing the relationship between the County and RSA. After Sheriff Bianco was elected, he appointed Dennis to one of the vacant

// *Dennis' many years of union leadership throughout his law enforcement career enabled him to hit the ground running.* //

Assistant Sheriff positions within our department and assigned him as the Union liaison for the Department. Dennis' many years of union leadership throughout his law enforcement career enabled him to hit the ground running, allowing the RSA and the Administration to repair labor relations that had been strained for years.

Dennis, on behalf of the RSA Membership, I would like to thank you for your dedication to our membership and wish you and Kim an incredibly happy retirement.

As always, stay safe out there and help ensure your partners go home safe. ★

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.
