2024 RSA Annual Report

Our Continued Commitment To Our Members

By **Bill Young**
RSA President

The Riverside Sheriff's Association (RSA) is proud to present the 2024 Annual Report, highlighting our continued commitment to providing exceptional services and benefits for our members. Throughout this past year, RSA has expanded and enhanced the vital resources available to our membership, ensuring the needs of those who serve our community are met with care, respect, and dedication.

RIVERSIDE SHERIFFS' ASSOCIATION BENEFIT TRUST (RSA BENEFIT TRUST)

At the core of our commitment to member well-being is the **Riverside Sheriffs' Association Benefit Trust**. This leading-edge benefit program continues to provide high-quality medical benefit options that prioritize the health and well-being of our members and their families. The RSA Benefit Trust has been instrumental in offering our members access to some of the best medical care available, ensuring that our coverage is comprehensive and cost-effective.

Additionally, our **Personify Health Wellness Program** has made great strides in getting our membership engaged and active. This program, which includes members, and their spouses enrolled in the benefit plan, offers wellness incentives and programs to improve overall health. The program has seen significant participation, and

feedback has shown positive results in terms of both physical health and member morale. The commitment to wellness ensures our members stay in top physical condition to continue protecting and serving Riverside County.

VEBA CONTRIBUTIONS FOR RETIREE MEDICAL

The **Voluntary Employees' Beneficiary Association (VEBA)** account remains a cornerstone of our long-term strategy to support members after retirement. Each year, we continue to make contributions to the VEBA account on behalf of our members. This fund is specifically designed to provide much-needed assistance with retiree medical expenses, one of the largest financial burdens a retired member can face. By consistently contributing to this account, we are securing the future healthcare needs of our members, allowing them to enjoy their retirement years without the looming worry of escalating medical costs. As this has been an area of question and understanding from our membership, RSA will continue to educate on this benefit moving forward.

ADVANCING MEDICAL SERVICES FOR OUR MEMBERS

A pivotal development for the RSA Benefit Trust in 2024 is our ongoing work towards establishing a **dedicated medical office** exclusively for our members and their families. This initiative will provide our members with direct access to quality care in a private, member-focused environment—free from the lengthy wait times and distractions of public medical offices. This medical office will allow us to return to the style of treatment where the focus is entirely on the patient's well-being, without the pressure to rush through appointments or over-prescribe medications to meet financial demands.

In addition, the Trust is working to create a **physical therapy center** that will serve as a safe, private space for members assigned to physical therapy. This facility will offer a level of care and convenience that ensures our members receive the best possible treatment in a secure and comfortable setting.

RSA LEGAL DEFENSE TRUST

The **Riverside Sheriffs' Association Legal Defense Trust** continues to be a vital resource for our members. In contrast to other law enforcement defense plans, the RSA Legal Defense Trust offers immediate access to **highly trained Labor Representatives** and **attorneys**. RSA employs these representatives directly, who are dedicated solely to representing our members. Their deep understanding of the unique challenges law enforcement professionals face allows them to provide focused, high-quality legal support.

This year, RSA has also been exploring strategic partnerships to expand and protect our legal reserves. One such initiative involves a potential collaboration with the **Fraternal Order of Police (FOP)**. By deferring some legal costs to FOP, we will be able to continue utilizing the same excellent legal services while sustainably building our reserves. This partnership would provide us with a more cost-effective

“ RSA will continue to expand its political footprint, with a focus on growing our Political Action Fund. This will help us further protect the rights and working conditions of our members ”

solution while ensuring that our members continue to receive the best legal support available.

In 2024, RSA was proud to maintain a full-time Labor Representative in the Desert Office, ensuring our members in the Coachella Valley have easier access to legal resources and representation.

MEMBER SERVICES UNIT

Our **Member Services Unit** continues to be a key component of RSA's commitment to supporting our membership. Through digital platforms, the unit ensures continuous communication with members, keeping them informed about the latest developments within RSA and the wider law enforcement community. The unit also plays a significant role in supporting our members during station visits and special events through the **RSA Smokehouse & Chow Shack**.

The Smokehouse & Chow Shack has provided sustenance to our members during crucial moments when taking time for meals can be difficult. This initiative has been widely appreciated, as it has allowed our members to stay focused on their duties while still being able to access nutritious meals. Moving forward, the Member Services Unit is excited to expand these efforts and further enhance the support we offer to those who serve.

HISTORIC CONTRACT NEGOTIATION

One of the major accomplishments of 2024 was securing one of the largest negotiated contracts in the history of the Riverside Sheriff's Department. This new contract resulted in substantial pay increases for our members while ensuring that working conditions remain fair and reasonable. RSA remains committed to protecting the best interests of our members, and we will continue to advocate for fair contracts as we approach upcoming negotiations.

POLITICAL ACTION AND ADVOCACY

RSA's political presence remained strong in 2024, with our **Political Action Committee (PAC)** and **RSA endorsement** being among the most sought-after endorsements in local politics. This endorsement has allowed us to support candidates who align with the values and needs of law enforcement, ensuring that the voices of our members are heard.

In 2025, RSA will continue to expand its political footprint, with a focus on growing our **Political Action Fund**. This will help us further protect the rights and working conditions of our members, providing us with the resources needed to maintain the respect and support our membership deserves.

LOOKING FORWARD

The RSA looks forward to another year of strong growth and continued service to our members. From expanding medical care options to strengthening our legal defense and member services, RSA is dedicated to ensuring that our members are supported, protected, and able to focus on their mission of serving and protecting the Riverside County community.

We encourage all our members to remain active, support the Association, and continue to help us in our mission of **“Serving Those Who Serve.”** Together, we will keep pushing forward, ensuring that you and your partners make it home safely for your families.

Thank you for your continued commitment and service.

Stay safe out there and help ensure you and your partners go home safe. ★

The Return Of The ... Legislators

As the new year kicks off, it's plain to see that things have changed quite a bit in Sacramento.

Ryan Sherman
Director,
Government Affairs

Unlike the past 10 years, few of the bills introduced in 2025 appear to be targeting law enforcement or seeking to provide greater benefits and/or reduced penalties for criminal offenders. As of this writing, less than 700 of the expected 2000+ bills have made it to print, so we'll have to wait and see.

“Unlike the past 10 years, few of the bills introduced in 2025 appear to be targeting law enforcement or seeking to provide greater benefits and/or reduced penalties for criminal offenders.”

OF BUDGETS & WILDFIRES

Just over a month ago, the state announced that the upcoming 2025-2026 state budget would be relatively flat, but the wildfires across the southern part has torn a multi-billion dollar hole into the previously “balanced” budget. The legislature moved quickly to ensure immediate funding was provided to help those most impacted by the deadly and devastating fires. Additional state funding is expected to flow as the lengthy and costly clean up and rebuilding efforts commence.

Most lawmakers understand that the majority of new legislative proposals with significant costs attached to them will not survive the committee or budget processes.

SOME BILLS OF CONCERN

For example, one lawmaker introduced a bill to increase pay for jail and prison inmates while another concluded that 2025 was the right year to cap and reduce the salaries and benefits of first responders and other public servants - while enjoying the pay and perks that accompany his title of “state assembly member.”

An amendment to the state’s constitution was recently introduced by a different assembly member seeming to overturn a voter-enacted initiative that has prohibited state lawmakers from receiving a taxpayer-funded public pension since 1990.

RUMOR MILL - WHAT WE’RE HEARING

Some of the more controversial bills from the last few sessions are expected to be re-introduced before the mid-February deadline. Some of the failed legislative proposals from the past that may return in 2025 include:

- Permitting “magic mushrooms” and other hallucinogenics
- Removing mandated reporting in schools and hospitals
- Allowing early prison release for first degree murderers.

Continued

- Reducing officer safety by banning certain robotic devices
- Additional firearm restrictions on peace officers
- Making “free syringes for drug users” law permanent

Relatedly, some good bills that died over the last few years may also be given another chance at passage. These include:

- Restricting the sale of xylazine (tranq)
- Classifying felony domestic violence as a violent crime
- Regulating intoxicating hemp and kratom products
- Enhanced penalty for interfering with firefighter aircraft
- Prohibiting the sale of Tianep-tine (gas station heroin)
- Increasing penalties for selling fentanyl to kids
- Designating rape of disabled child as a violent crime
- Increasing penalties for some arson crimes

NEW MEMBERS, NEW COMMITTEE ASSIGNMENTS

The election of dozens of new lawmakers has resulted in significant changes to the legislative committee memberships and the chairs.

Assembly Public Safety Committee chair is newly-elected Democrat Nick Schultz, a member of the Burbank City Council since 2020. Chairman Schultz briefly worked as a deputy district attorney in Oregon

and since 2016 has served as a deputy attorney general at the California Department of Justice.

Democrat Jesse Arreguin, representing Senate District #7, was appointed as chair of the Public Safety Committee for the upper house. The freshman senator served as a city councilman from 2009 to 2016, when he was elected mayor. He remained Mayor for the last eight years until his election to the state senate last November.

SENATE PUBLIC SAFETY COMMITTEE:

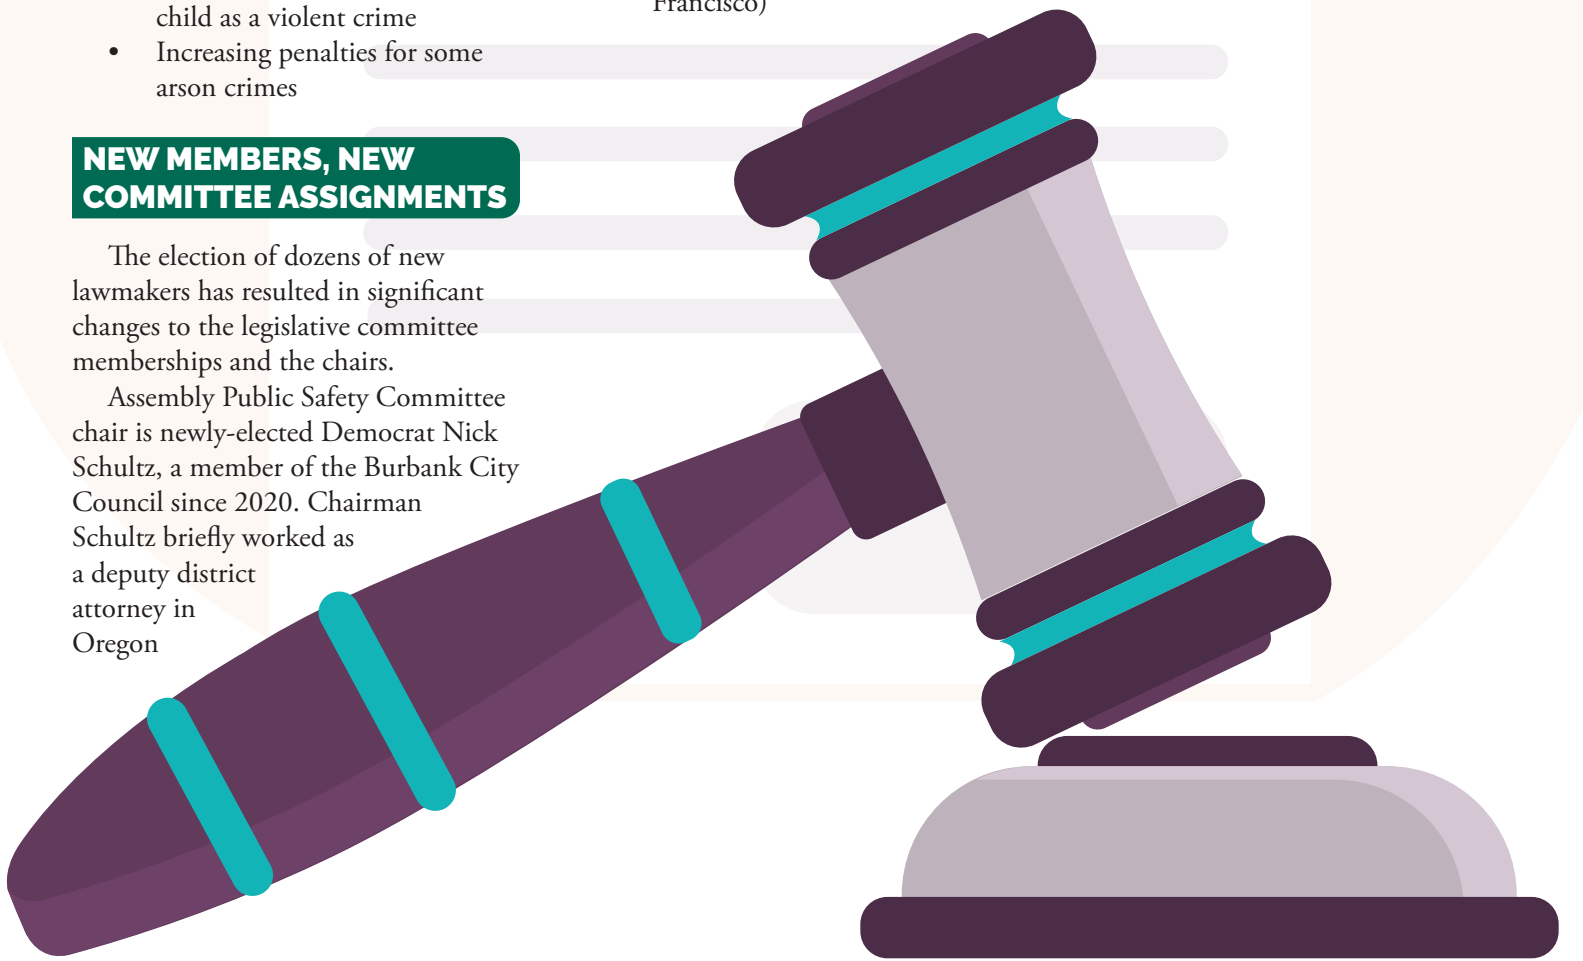

- Jesse Arreguin, Chair (D- Berkeley)*
- Kelly Seyarto, Vice Chair (R- Murrieta)
- Anna Caballero (D- Merced)
- Lena Gonzalez (D- Long Beach)
- Sasha Renee Perez (D- Alhambra)*
- Scott Weiner (D- San Francisco)

ASSEMBLY PUBLIC SAFETY COMMITTEE:

- Nick Schultz chair (D- Burbank)*
- Juan Alanis vice chair (R- Modesto)
- Mark Gonzalez (D- Los Angeles)*
- Matt Haney (D- San Francisco)
- Tom Lackey (R- Palmdale)
- Stephanie Nguyen (D- Elk Grove)
- James Ramos (D- Highland)
- John Harabedian (D- Pasadena)*
- LaShae Sharp Collins (D- San Diego)*

The Public Safety and other policy committees will begin hearing bills in the coming weeks and we'll keep you updated.

Until next month, be safe. ★

Chapter Update

January 28, 2025

Chapter 19, Public Safety Unit, Update

By **Charles Roberts**
Chapter 19 Director

I know I have been mentioning it for a while now but RSA should be sending out the survey asking PSU members if they are interested in becoming full members of RSA. I strongly support this for all the reasons I previously cited. I ask and encourage every member to support the move as well.

Over the years, RSA obtained pay raises and benefits for us in excess of what our previous bargaining unit did as well as more respect within the law enforcement community. It is my belief we can achieve parity with the surrounding counties but only with RSA's help.

Please contact me or your area sight rep with questions or concerns. My email is rsa19@ymail.com and my cell number is posted on the union boards in the staff break rooms.

In most APB articles I asked that you consider donating to the Sheriff's (11-99) Relief Foundation. It is a stand-

alone non-profit trust started by RSA to assist members in need. The foundation has been instrumental in helping members and their families through illnesses and tragic deaths, etc. You don't have to donate a lot, even small amounts add up and help. It can be deducted straight from your paycheck to keep it simple/easy. Donation forms can be found on the RSA webpage or I can email you a copy. If you literally have no money to spare, consider donating some time as a site rep or volunteer with the RSA BBQ trailer.

Relief Foundation & Events and Fundraising December Recap

Sadly, this month has served as a reminder of the significance of the Riverside County Deputy Sheriff Relief Foundation (RCDSRF). Earlier this month, this organization shared the loss of Motor Deputy Timothy Corlew of the Riverside County Sheriff's Department. Deputy Corlew tragically lost his life in the line of duty on January 8, 2025, as a result of a traffic collision. The RCDSRF and The Riverside Sheriffs' Association have played an instrumental role in supporting Deputy Corlew's family and our members as they navigate this tragic loss. From Chef Juvien and his crew of the RSA Rollin' Smokehouse & Chow Shack showing their support by preparing and serving lunch at Deputy Corlew's funeral service in the city of Norco, January 23, 2025. To the Help-A-Hero campaign organized by this organization to provide Deputy Corlew's family additional support. Difficult times like these serve as a reminder of the profound impact and support this organization offers its members and the community. It is truly remarkable to see the support from this organization, the Department, and the community to assist Deputy Corlew's family during this difficult time. The Riverside Sheriffs' Association remains dedicated to standing by our members and their families, ensuring that no one faces difficult times alone. It is important to this foundation and organization that we honor our fallen heroes who made the ultimate sacrifice. Because of the support of this community, our

membership, and fundraising events we can offer our assistance at a moment's notice.

To those who contribute to the Riverside County Deputy Sheriff Relief Foundation monthly, thank you! Your support helps make all this possible. If you have yet to sign up to become a donor, I strongly encourage you to do so. As little as \$5.00 a pay period from our members makes a significant difference. All donations to the RCDSRF are tax deductible. If you would like to donate to Deputy Corlew's family, please scan the QR code below.

If you have any questions regarding the Riverside County Deputy Sheriff Relief Foundation and/or would like to donate or volunteer, please feel free to reach out via phone or email. Until next month, stay safe and let's make a difference together.

A Big WIN For RSA Members And The Fraternal Order Of Police

By **Matthew D. Hill, Esq.**
RSA Chief Counsel, Wellness Unit

The Social Security Fairness Act (H.R. 82) passed both chambers of Congress and was recently signed into law on January 5, 2025. The Social Security Fairness Act sought to boost social security benefits for millions of public service workers; including, eligible public safety members. In short, the Social Security Fairness Act repeals two federal policies, the Windfall Elimination Provision (WEP) and the Government Pension Offset (GOP), both of which previously limited benefits for otherwise deserving members. The WEP and GOP reduced social security benefits for members if they receive pensions from employment not covered by social security.

The significant efforts of the Fraternal Order of Police, in conjunction with nationwide assistance and support from other public sector unions aimed to “right” the “wrong” of

paying into a system only to be shut out of that very benefit system. The Fraternal Order of Police approach was rooted in a commonsense approach of fairness. Simply stated, if your hard-earned money is paid into social security you should be able to access it when you retire. Nothing more, nothing less.

Eligibility for retirement benefits requires a member to have paid into Social Security for at least 40 quarters (10 years.) In addition, the Social Security Fairness Act is retroactively effective for benefits paid after December 2023. Given each member has a unique contribution history, the Social Security Administration has provided online tools to assist in determining what benefits you are entitled to. I strongly encourage visiting www.ssa.gov for further eligibility information and guidance.

Understanding your rights and benefits are a critical component of your health and wellness now and into retirement. By further educating yourself on benefits you can confidently continue on in your career or rest assured in retirement. ★

Chef's Corner

Egg Roll Bowl

Cook Time: 20 Minutes

Prep: 10 Minutes

Serves: 2-4

Ingredients:

- **Ground Turkey;** Can use ground chicken, beef, or pork as well
- **Cabbage;** one medium head thinly shredded. To add color you can do a variety of green and purple
- **Carrots;** Thinly shredded whole carrots
- **Onion;** Sweet onion is preferred, but can be substituted for Red or Yellow
- **Ginger & Garlic;** Fresh ginger & garlic are best. Pre-peel the garlic for easier prep. Ginger paste can be used
- **Soy Sauce;** liquid coco aminos work as a good substitute as well
- **Rice Vinegar**
- **Sesame Oil**

Instructions:

- **Step 1:** Slice the cabbage thinly (around ¼ to ½ inch thick) using a sharp knife for even cooking. If you're starting with whole carrots, shred them using a cheese grater or a food processor unless you already have matchstick-cut carrots on hand.
- **Step 2:** Heat a large skillet over medium to medium-high heat and add the ground meat. Cook for about 5-6 minutes, breaking it apart into small pieces as it cooks. (Pro tip: A potato masher works great for this!) Cook until the meat is nearly done.
- **Step 3:** Push the meat to one side of the skillet, then add the diced onion and a tablespoon of oil to the other side. Sauté the onion for 3-4 minutes until softened. Stir in the shredded carrots, minced garlic, and grated ginger, and cook for another 2 minutes. Combine the vegetables with the meat, then pour in the chicken broth, scraping the bottom of the pan to deglaze it.
- **Step 4:** Add the cabbage along with soy sauce, vinegar, salt, and pepper. Stir everything thoroughly, ensuring the cabbage is evenly coated. Cover the skillet with a lid.
- **Step 5:** Reduce the heat to medium-low and let the mixture cook for 12-15 minutes, or until the cabbage reaches your preferred level of tenderness. Just before serving, stir in toasted sesame oil for added flavor.
- **Step 6:** Garnish with green onions and toasted sesame seeds. For an optional spicy twist, sprinkle on red pepper flakes. Serve on its own or over your choice of white rice, brown rice, or cauliflower rice. Enjoy!

CHARTING THE PATH AHEAD

January is a time to reflect on and honor the incredible dedication and sacrifices of our law enforcement professionals, as we honored Law Enforcement Appreciation Day. The hard work of members, resilience, and commitment to serving and protecting our communities is truly inspiring. Your professionalism and courage are the foundation of the RSA mission, and we are deeply grateful for all that you do.

A few days ago, the Presidential Inauguration Ceremony took place. This marks a pivotal moment in our nation's history, reminding us of the importance of leadership and unity in shaping the future. We are especially grateful to Congressman Ken Calvert for the incredible honor of inviting President Bill Young to represent RSA members at this historic event.

The recent approval of the contract by the RSA Board of Directors and the Riverside County Board of Supervisors marked a huge step forward in advancing the priorities and well-being of RSA members. Supporting elected officials who have championed better wages and benefits for our members is just one example of how RSA's Political Action Committee remains dedicated to strategically protecting member interests.

Although we just jumped into the new year, the 2026 election season is already beginning to take shape, with several candidates announcing their campaigns. We know the importance of staying engaged. Therefore, as we enter the new year, our focus is on strengthening the Public Education Fund (PEF), which will play a key role in supporting our advocacy efforts and ensuring we secure the resources needed for the upcoming election.

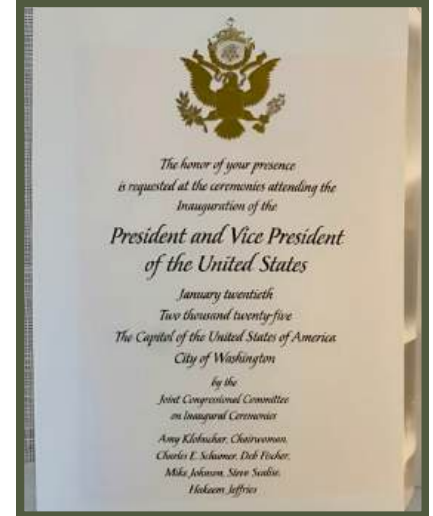

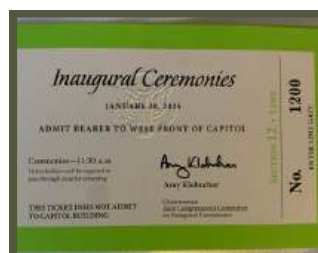

We look forward to collaborating with our members and partners to build on the mission. As always, please feel welcome to contact me with any questions or concerns. It is a privilege to work alongside the team at RSA to support our members.

Sincerely,

Mary Arrizon

Can Medication For Hypertension Be A Factor In Causing Cancer?

Scott O'Mara

The Law Offices Of Scott A. O'Mara

The International Agency for Research on Cancer, otherwise known as "IARC", is a part of the World Health Organization (WHO). This agency, IARC, was established to garner information from various entities and combine those findings as to the risk and causes of cancer.

The IARC seeks out information as to the various types of cancers and what factors of life, or exposures in life, can be a developmental factor in the cause of human cancer.

The IARC identifies various elements that are carcinogens or elements of carcinogens that cause cancer. These elements or a combination of those can be a substantial factor in the manifestation and development of cancer.

California workers compensation has a cancer presumption for active firefighters and peace officers which

"The California worker also must be aware that certain medications for blood pressure can be a factor in the development of certain types of cancer."

is stated in Labor Code §3212.1. The Labor Code specifically defines cancers that can be job based upon the showing of proof of certain types of exposures to known carcinogens. A carcinogen known are defined by the International Agency for Research on Cancer (IARC). There are publications in *A Newsletter* that has been presented by IARC, the most recent dated December 20, 2024, issue #10 found

that certain medications that are taken by patients for hypertension, peripheral edema, or other medication which is utilized to minimize certain fungal or yeast infections, are a carcinogen.

Additional medications that are used to treat risk for additional problems such as cell organ transplant, treating dermatitis and as stated controlling the level of blood pressure. These medications are now classified as a Carcinogen Group 1. The evidence reviewed that these types of medications can be a factor if the manifestation and/or development such as squamous cell carcinoma, cancer of the lips, basal cell carcinoma and skin. These findings as a Carcinogen Group 1 expands the protections available out of Labor Code §3212.1.

This study reflects knowledge that the treating doctors must consider

Continued

when prescribing medications that may be a substantial factor in manifestation development of various cancers.

The California worker also must be aware that certain medications for blood pressure can be a factor in the development of certain types of cancer.

The medical care under the California system, whether it is for cancer or other conditions that are job-related, is to cure or relieve the effects of the injury. If in fact the worker is taking the medication for a job-related injury and it causes other medical problems, this becomes the responsibility of the workers' compensation system.

The continuation of expanding knowledge that we have as to the carcinogens and their impact allows some ability to various doctors to make a medical opinion as to the best approach to treat to cure or relieve the

effects of the injuries, or numerous other medical problems that could be an additional factor for the development of cancer.

As the worker is aware, medical care to cure or relieve the effects of the injury is paramount to getting better. At the same time the worker and the doctor needs to be aware of the risk factors that may evolve because of the types of treatment.

The World Health Organization continues to use studies which help all parties involved in making a better decision regarding medical care.

In the workers' compensation system the statute of limitations to file on the cancer case can be limited to no more than 120-months from the last day of work. That statement of 120-months is based upon the number of years that the worker has been employed. Even with that, 120-months, there are many exceptions that go way beyond that depending upon the period

of time from development of manifestation of the disease. The new finding of certain medications being a Carcinogen Group 1 requires knowledge on behalf of the treater and the individual seeking the medical care to cure and relieve the effects of the injury.

As new studies evolve we will have more information as to what may be the more accurate treatment, not only for cancer, but other medical treatment that may raise the likelihood of other cancers developing.

The International Agency for Research on Cancer (IARC) studies and findings are very important and a reliable source of information regarding the types of care and treatment the injured worker should receive. Additionally, the worker should go to www.webmd and look at the area that speaks of the risk of side effects of the medications that they are taking and inform if there are side effects to the treating doctor. ★

Calling All RSA Members, Retirees, And Friends Of The RSA Membership

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.
