# Supporting Our Members

## And Ways You Can Get Involved

By Bill Young  
RSA President

**H**ello everyone from all of us here at RSA, I hope this message finds you and your families doing well.

As we head into the summer months, I want to remind everyone to stay prepared for the heat and remember that this is a peak vacation season, so staffing may be lighter on some days. Please continue to check in on your partners and look out for one another. We've been through challenging times as a Department, and it's more important than ever to support each other.

### BAKER TO VEGAS

Recently, RSA was proud to support our members who participated in the Baker to Vegas Challenge. It was an honor to assist the dedicated runners and volunteers who represented our Department on their own time. Once again, RSO's presence at the event was widely recognized. Many Association Presidents shared with me how impressed their members were with the way RSA, and RSO supported our

members. A big thank you goes out to our membership and the RSA Board of Directors for their continued support of events like this.

### LAW ENFORCEMENT MEMORIALS

Looking ahead, in May, RSA will send at-large members to both the State and National Law Enforcement Memorials to honor this year's fallen heroes and those we've lost in the past. If you've never attended one of these memorials, I strongly encourage you to consider it in the future. RSA typically holds a drawing and covers the costs for members in good standing to attend. If you're interested, please ensure your current email is on file with RSA by calling the front desk at (951) 653-5152.

### ANNUAL FLOAT DOWN

We're also excited to support the upcoming Colorado River Station Annual Float Down for Law Enforcement on **Saturday, June 7** in the City of Blythe. This is a family-friendly event and a great opportunity to come together for a fun, relaxing day—capped off with a fantastic BBQ. If you're interested or want more details, reach out to RSA and we'll get you the info.

### POLITICAL SUPPORT

On the PAC front, we're preparing for the important County Supervisor races that will be held in 2026. Three seats will be up for election, and each has a direct impact on our pay and benefits. RSA will be actively engaged in these races to make sure the public is informed about which candidates truly support law enforcement.

At the same time, our Sheriff will be running for Governor, which will bring even more attention to our efforts. These elections will place a significant demand on our PAC Fund, so I'm asking our members to consider making bi-weekly voluntary contributions. You can do so by calling RSA and requesting the PAC donation form. Personally, I donate an extra \$25 per pay period because I believe in the mission and impact of the RSA PAC Fund.

### GETTING INVOLVED

Lastly, I encourage every member to get involved with the Association. Whether it's reaching out to your Chapter Director to stay informed or volunteering at one of our events, your participation makes a difference. If you ever have any questions or concerns, don't hesitate to reach out to me directly at (951) 538-4942.

Thank you for your continued commitment and service. ★

**Stay safe out there and help ensure you and your partners go home safe.**

*Bill Young, President  
Riverside Sheriffs' Association  
California FOP Lodge 951*

*If you've never attended one of these memorials, I strongly encourage you to consider it in the future. RSA typically holds a drawing and covers the costs for members in good standing to attend.*

## RSA Champions Youth Athletics at the 2025 Inland Empire All-Star Basketball Classic

On April 13, 2025, Moreno Valley High School buzzed with excitement as the Riverside Sheriffs' Association (RSA) proudly sponsored the annual Inland Empire All-Star Basketball Classic. This much-anticipated event, organized in partnership with IE Sports Net and Fox Sports Radio 1350AM, showcased top basketball talent from Riverside and San Bernardino counties. The triple-header began with the 8th Grade All-Star Game, spotlighting emerging young athletes and awarding a special MVP honor. Next, the Girls' All-Star Game featured standout seniors from the Class of 2025, culminating in the Boys' All-Star Game, where the region's best senior players competed for county bragging rights. MVPs from both senior games received cash scholarships, underscoring RSA's commitment to supporting student-athletes' academic and athletic pursuits. RSA's sponsorship of this event reflects its ongoing dedication to community engagement and youth development. Beyond basketball, RSA continues to support various sporting events through the Inland Valley Classic program, fostering opportunities for young athletes across the Inland Empire.

Government Affairs Manager

## BUILDING MOMENTUM

RSA Government Affairs continues efforts to expand our reach and impact. New efforts include new engaging platforms, increased social media presence, and upcoming events for involvement.

### Candidate Review Process

Being only 2 summers away from the 2026 election season, there is already significant movement in the political world. If it feels like campaign season is starting earlier than ever, it's not your imagination. The candidate review process has started for our Political Action Committee. We have major decisions coming before RSA for the 2026 election cycle. From endorsement decisions regarding three Riverside County Supervisor seats to the governor's race, it is shaping up to be a crucial season for our membership and the future of public safety in our county.

### RSA Community Leadership Roundtable

On June 27, RSA will host a Community Leadership Roundtable at Windmill Canyon Ranch (Beaumont, CA). This event is community-focused and will bring together public safety representatives, community leaders and local elected officials to discuss shared priorities and strengthen partnerships. We are proud to host this opportunity to engage in thoughtful dialogue about the direction of public safety and community collaboration.

### PAC Website Launch – RSAPEF.ORG

We are proud to announce the official launch of our new PAC website: [rsapef.org](https://rsapef.org)! The site is designed as a centralized platform for PAC updates, future fundraising campaigns, endorsed candidates, events, and much more. It enhances transparency and accessibility, making it easier for members to stay informed and get involved in the issues that matter most.

RSA remains committed to staying ahead of the curve, keeping our members informed, and continuing to build meaningful relationships that support our mission. We appreciate your support as we enter a new season of political engagement and advocacy.

Sincerely,

# Chapter 13, Retirees, Update

**Lester Harvey**  
Chapter 13 Director, Retirees

On April 16, 2025, the Riverside Sheriffs' Association hosted a retirement brunch. President Bill Young and Executive Director Evan Petersen greeted and addressed the group by providing updates on the direction of RSA. Retiree Bob Peebles was on hand as our retiree chaplain to lead us into the uplifting spirit of fellowship and gratitude. The food was plentiful, and the interaction among former co-workers and life-long friends was truly inspiring. The event concluded with raffle drawings and a few group photos. A special thanks of appreciation to all in attendance, and "well wishes" to those who were not able to

be on hand. And of course, a heartfelt "thank you" to the entire RSA staff and supportive volunteers, who made the event possible. Additionally, the Riverside Sheriffs' Association - Rancho Mirage office will host a retiree lunch on June 13, 2025. We look forward to seeing you at the next gathering. On a final note, "save the date" for an RSA sponsored HR-218 CCW retiree range qualification. RSA will send out an email blast with additional details and RSVP, but the date of this range event will be on: Tuesday, September 3, 2025, from 10:00 AM until 1:00 PM at the Ben Clark Training Center. The RSA "Rollin' Smokehouse & Chow Shack" trailer will also be there to feed our members during their qualifications. Feel free to reach out to Frank Anderson or me, with any concerns, or questions you have with regards to your retirement. Best Regards ★

# Chapter 19, PSU, Update

## Charles Roberts

Chapter 19 Director, Public Safety Unit (PSU)

**G**reat news, the PSU membership overwhelmingly voted in support of becoming full members of RSA. The RSA board also supported this change to our status and will be sending the proposal out for approval from the regular full members. Hopefully that formality will be completed in the coming months. Thank you for the great turnout and support.

We are gearing up for pending negotiations and you should have received a survey request during the week of April 14 to April 21. The survey was soliciting items, topics, areas of concern to bring up or negotiate. With constant staff transfers and attrition we are always in need

of site reps at our various locations. This is especially true in the institutions, please consider volunteering for this important role.

In most APB articles I ask members to consider donating to the Sheriff's (11-99) Relief Foundation. It is a standalone non-profit trust started by RSA to assist members in need. The foundation has been instrumental in helping members and their families through illness, tragic deaths, etc. even the smallest donation helps. It can be deducted straight from your paycheck to keep it simply/easy. Donation forms can be found in the RSA website or I can email you a copy. If you literally have no money to spare, consider donating some time as a volunteer with the RSA BBQ trailer.

Stay safe and work and home. ★

## Relief Foundation & Events and Fundraising Recap

April has been a busy and inspiring month as we continue working toward our mission of *"Serving Those Who Serve."* From speaking engagements and grant awards to exciting plans for upcoming events, the Relief Foundation is pushing forward with focus and drive.

Earlier this month, we had the honor of speaking to a new graduating academy class about the mission and impact of the Relief Foundation. We shared stories of how this program has supported several department members during their most challenging times, and emphasized our commitment to growing the reserve account so that no member in need is ever turned away.

Another highlight this month was a visit to Walmart headquarters, where RSA Executive Director Evan Petersen and I were presented with a \$1,000 grant check to benefit the Relief Foundation. Applying for local grants like this one is just one of the ways we're building our reserves.

Looking ahead, our focus shifts to one of the most anticipated events of the year, the **Riverside Sheriffs' Association Awards Banquet**, scheduled for July. This annual celebration honors public safety officers whose dedication and heroism go above and beyond the call of duty. More than just a night of recognition, the banquet also serves as a crucial fundraiser, with all proceeds going directly to the Relief Foundation.

With several more events coming up, we're committed to growing the impact of the Relief Foundation one step, one story, and one success at a time.

If you have any questions regarding the Riverside County Deputy Sheriff Relief Foundation and/or would like to donate or volunteer, please feel free to reach out via phone or email. Until next month, stay safe and let's make a difference together.

# A MESSAGE FROM THE CHEF

When it comes to easy, satisfying meals that don't compromise on flavor, it's hard to beat a great chicken salad. But when you bring in the bold, familiar flavors of a BLT—crispy bacon, juicy tomatoes, and fresh crunch—you get something even better: a BLT Chicken Salad that's as crowd-pleasing as it is simple to make. This dish blends the comfort of a deli staple with the freshness of a summer sandwich. It's not just a salad—it's a reminder of backyard barbecues, weekday lunches made a little more exciting, and casual get-togethers where food is part of the fun. The smoky crunch of bacon paired with creamy dressing and tender chicken makes every bite satisfying, while the addition of cherry tomatoes and celery brightens it all up. What makes this salad especially great is its versatility. Serve it on croissants for a more indulgent meal, keep it low-carb with lettuce wraps, or scoop it over greens for a refreshing salad bowl. It packs well for lunches and holds its own at potlucks, brunches, or family dinners. It's also easily customizable, swap in Greek yogurt for a lighter dressing, toss in avocado for extra creaminess, or adjust the seasoning to match your flavor profile. No matter how you serve it, this BLT Chicken Salad brings comfort and convenience together in one craveable recipe. Quick to make, easy to love, and full of texture and flavor—this is a recipe that earns a spot in the regular rotation. Tried it? We'd love to see your take on this recipe! Tag us in your photos and let us know how it turned out.

*It's not just a salad—

# WHEN TRUST IS BROKEN

## LESSONS IN UNION FINANCIAL OVERSIGHT

### Case Study - UFLAC Misconduct Sparks Audit and Reform

#### Michael P. Stone

Legal Defense Trust  
General Counsel

In March 2025, the Secretary of the United Firefighters of Los Angeles City (UFLAC), Adam Walker, was removed from office amid serious financial misconduct allegations.

The International Association of Fire Fighters (IAFF), UFLAC's parent organization, alleges that Walker personally deposited over \$75,000 of UFLAC Fire Foundation funds into his own account between December 2022, and January 2024.

Walker denies wrongdoing, claiming the deposits were reimbursements for out-of-pocket costs related to charity golf tournaments. He admitted publicly the transactions may "look bad", blaming them on "poor bookkeeping". To date, Walker has provided approximately \$17,000 in receipts, which include a \$5000 deposit for a cancelled third golf tournament, \$2400 in Visa Gift Cards "for staff, members, and individuals" who support the Union and its membership, and 57 transactions at retailers like Amazon, Dick's Sporting Goods, and 7-Eleven.

The investigation is ongoing as IAFF is still attempting to reconcile the remaining \$58,000 and the specific nature of those expenses.

The investigation broadened after UFLAC's new Treasurer discovered additional discrepancies in the union's accounts after taking over the position.

As a result of the Walker investigation, the Treasurer, in an exercise of due diligence, inquired into his predecessor's purchase of one of the Union's take-home vehicles – a 2017 Chevy Malibu.

Domingo Albarran Jr., a retired LAFD Captain who served as the previous Treasurer, purchased the Malibu for \$4000 but reported the sale to DMV at only \$500 and inflated the mileage by 30,000.

In a statement to the LA Times, Albarran admitted he underreported the sale price to the DMV to avoid paying the extra taxes and contended that the car needed approximately \$2000 including mechanical work and two new tires. The Treasurer discovered these repairs were completed before Albarran bought the car and were paid for with the UFLAC credit card.

The Treasurer's deeper review of Albarran's use of his union-issued credit card revealed gas purchases that exceeded the Malibu's fuel tank capacity, surveillance footage showing Albarran fueling his personal vehicle "dozens of times" and dozens of questionable transactions with no clear union purpose.

When questioned, Albarran claimed it was "cheaper for the union to just pay for fuel" than reimburse his mileage.

The UFLAC Treasurer who uncovered these issues has filed a report to the IAFF which is currently conducting an audit of UFLAC's finances, including the use of union credit cards, as part of the Walker investigation.

Albarran has since retired from the fire department and returned the vehicle. UFLAC refunded his \$4000 payment. However, with the Treasurer's report filed with the IAFF, it is possible Albarran will also be separately investigated for misappropriation of union funds.

#### TAKE AWAY:

The Walker and Albarran cases highlight a critical truth: Without oversight, even trusted leaders can abuse their positions. Whether it's simple misuse or complex fraud, these examples reinforce the need for stronger internal controls.

To safeguard your organization, make sure you:

- Establish clear financial policies and enforce them
- Provide regular training to officers and board members
- Maintain strong leadership oversight
- Conduct independent audits
- Report any financial irregularities immediately.

Integrity matters. Transparency matters. And oversight prevents damage that can take years to repair.

# Fairness Act To Receive Social Security

The Social Security Fairness Act H.R. 82 passed the House of Representatives and the Senate. The Bill H.R. 82 was signed by President Joe Biden and became the law on January 5, 2025.

**Scott O'Mara**

Law Offices Of Scott A. O'Mara

**T**he Bill H.R. 82 repeals sections of the law that reduce Social Security

Benefits for workers, potential workers, and their families if there was earned benefits or entitled benefits under a City, County or State Retirement System.

H.R. 82 broke down a barrier through legislation that was passed by the Government called Windfall Elimination Provision (WEP) and the Government Pension Offset (GPO) program. This was based upon many groups of employees that received, or had entitlement to receive, social security protection which was blocked off.

The WEP and GPO rules cease to be a factor in reduction of benefits that are payable on December 31, 2023 because of H.R. 82. The removal of this stone wall will allow entitlement to benefits to many workers and enhance their retirement by allowing full Social Security Benefits without being lowered by retirement benefits that they receive from the City, County or State Retirement Systems.

The Legislation impacts the benefits of many public sector employees. The Bill H.R. 82 provides many public employees access to their full security benefits, and removes the

reduction of benefits because of retirement provisions and payments under the City, County or State

Systems. The segment of governed employees' (City, County or State), are those that receive a pension based upon work, and are not covered by Social Security.

There are several websites that can provide direction as to how to receive entitlement; one is [www.ssa.gov/apply](http://www.ssa.gov/apply) and another is [www.secure.ssa.gov/INCON/main.jsp](http://www.secure.ssa.gov/INCON/main.jsp). There is an 800 number that can give you information as to potential entitlement as follows; 1(800) 772-1213.

The passage of H.R. 82 creates an economic base of security for many groups including fire, police, teachers and many other groups. ★

"The Legislation impacts the benefits of many public sector employees. The Bill H.R. 82 provides many public employees access to their full security benefits, and removes the reduction of benefits because of retirement provisions and payments under the City, County or State Systems."
